

PROTECTION YOU CAN RELY ON

Proudly Made in Memphis, TN USA

Optimum Ceramic Defense Protection Program offers peace of mind for your car from the elements, as well as life's little mishaps.

Independently tested, Optimum Ceramic is proven to provide superior scratch and chemical resistance for your exterior and a superhydrophobic, microbe resistant barrier of protection for all interior surfaces.

Optimum Ceramic Defense Program offers superior ceramic protection for your vehicles interior and exterior surfaces. Our coverage starts where the manufacturers warranty stops.

Easier cleaning lets you enjoy your car more and retain a higher resale value.
