

No Rinse™ Wash & Shine is the most technologically advanced car wash system that requires only 1-2 gallons of water to wash the entire car. **No Rinse™ Wash & Shine** does not require rinsing since there are no soapy surfactants to wash down storm drains.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum No Rinse™ Wash & Wax is the most technologically advanced wash & wax system that only requires 1-2 gallons of water to wash the entire car while adding great gloss and protection. Just like No Rinse™ Wash & Shine, **Optimum No Rinse™ Wash & Wax** does not require rinsing since there are no soapy surfactants to wash off into the storm drains.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum Car Wash is designed to clean the toughest automotive grime while maximizing the protection using rich foaming lather to provide gloss and lubrication without removing wax or sealants on painted surfaces.

Sizes: ■ 4 oz ■ 32 oz
■ 1 Gallon

Instant Detailer & Gloss Enhancer adds the most gloss and slickness to the paint finish. This water-based, environmentally friendly formula utilizes fluoropolymers, which repel dust, dirt and oil.

Sizes: ■ 17 oz ■ 32 oz Concentrate
■ 1 Gallon Concentrate

Optimum Carpet & Fabric Cleaner & Protectant is a new, revolutionary product that not only cleans textile surfaces, but protects them at the same time! Most cleaners contain surfactants that leave oily residue that attracts dirt and grime causing dirt build up.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum Power Clean™ is an all purpose cleaner that safely cleans your vehicle's dirtiest surfaces. Remove bugs, brake dust, and oily grime when using **Power Clean** full strength. Dilute it to clean leather, vinyl and plastics. **Optimum Power Clean™** is an environmentally friendly, safe cleaner that will leave your vehicle spotless!

Sizes: ■ 17 oz ■ 1 Gallon

Optimum Ferrex™ is designed to dissolve and remove ferrous oxides from wheels and painted surfaces quickly by bonding and dissolving them away with minimal effort. Furthermore, **Optimum Ferrex™** will dissolve and remove other surface contaminants such as tar and wax at the same time.

Sizes: ■ 17oz ■ 1 Gallon

Optimum MDR™ Mineral Deposit Remover is the most advanced cleaner that dissolves and removes mineral deposits and other contaminants from exterior automotive surfaces. It is a non-abrasive chemical cleaner that will dissolve and remove water based contaminants without the need to polish or abrade the surface.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum Opti-Clean is the most advanced waterless wash in the market. Designed to wipe away dirt and grime safely and effectively in a spray application. **Opti-Clean** contains the same proven polymer technology as NO RINSE along with additional ingredients for greater lubricity and protection for painted surfaces.

Sizes: ■ 17 oz ■ 32 oz Concentrate
■ 1 Gallon Concentrate

Optimum Opti-Glass Clean & Protect is a ready to use spray glass cleaner that contains a combination of mild cleaners and an advanced polymer that bonds to glass and other silica based surfaces to add water repellency by lowering the surface tension and protect glass by increasing the coefficient of slip.

Sizes: ■ 17 oz ■ 60 cc Concentrate

Optimum Gloss-Coat™ is the most advanced polymer system that forms a layer of clear coat over automotive finishes. **Optimum Gloss-Coat™** provides better scratch and mar resistance, better UV resistance, better chemical etch resistance, and has better release properties than any other consumer product while providing unsurpassed gloss and slickness.

Sizes: ■ 10 cc ■ 20 cc

Optimum Opti-Seal is a revolutionary paint protection formula that creates unmatched slickness and gloss with just a few drops per vehicle. One ounce completely seals and protects 4-5 cars! This product leaves no residue and requires no buffing. Enjoy months of durable polymer protection with just drops of **Opti-Seal**.

Sizes: ■ 2 oz ■ 8 oz

Optimum Car Wax is the only spray car wax that provides the durability of a paste wax and long-lasting UV protection. A combination of high-grade Carnauba wax, sealant polymers and UV inhibitors forms a protective layer on the painted surface to protect the paint from sun damage and environmental elements for up to 5 months.

Sizes: ■ 4 oz ■ 1 Gallon
■ 17 oz

Optimum Opti-Glass Coating is designed to chemically bond to silica based surfaces such as automotive glass and provide long term water repellency and improve resistance against scratching and rock chips for up to one year.

Sizes: ■ 60 cc

Optimum Paint Prep™ is an excellent cleaner for removing polish or old wax before applying any Optimum Coatings or any other coatings or waxes. A combination of mild solvents dissolves and removes all the contaminants and leaves the paint squeaky clean and ready for the final protection.

Sizes: ■ 17 oz ■ 1 Gallon

Optimum Poli-Seal™ is the most remarkable, all-in-one product ever produced! This zero dusting, buttery-smooth formula is the ultimate, one-step product. It creates gloss and long term protection that is second to none. **Optimum Poli-Seal™** contains micro abrasives that eliminate (not hide) minor surface imperfections. It provides swirl removal, a final polish, and wax/sealant protection in one step.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum Finish was developed to create the most reflective finish possible. It will make the paint "POP" and the slickness is second to none. The sub-micron abrasives will correct, but not "over-correct", leaving the paint absolutely perfect.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum Polish II is the most versatile, effective, and easy to use polish you will ever use! It can be used as a light compound, swirl mark remover, or a finishing polish.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum Compound II is an aggressive compound designed to remove deeper scratches and imperfections, yet is easy to work with and creates an awesome shine with very limited or no swirls.

Sizes: ■ 8 oz ■ 32 oz
■ 1 Gallon

Optimum Metal Polish is the most effective and easy to use metal polish you will ever use! It can be used to remove oxidation, scratches, and swirl marks from all metal surfaces leaving a mirror shine.

Optimum Metal Polish also leaves a protective coating to protect metal surfaces from oxidation.

Sizes: ■ 8 oz ■ 32 oz
